

We manufacture and stock aftermarket parts for several original equipment manufacturers (OEMs) including **Doboy™**, **Bobst™**, **Multivac™**, **Shanklin™** and several others. Our parts are guaranteed to meet or exceed your expectations at a reduced cost. We reverse engineer parts and offer process improvements based on the application.

MACHINE SHOP CAPABILITIES:

- Custom machining of new parts
- Stocking arrangements available for same day shipping
- Plastic parts (UHMW, Delrin, Hydex, HDPE, PTFE, etc.)
- Stainless steel conveyor components (springs, bushings, shafts, rollers, etc.)
- Overwrap packaging parts (seal bars, knives, anvils, etc.)

245 W. Roosevelt Road, Unit 88
West Chicago, Illinois 60185
